ABSENTEE VOTING PROCEDURES

When can applications for absentee ballots be made? (Be certain to apply within the following time frames.)

- By Mail - Not more than 40 days nor less than 5 days prior to the election
- In Person - Not more than 40 days nor less than 1 day prior to the election.

Some voters, primarily those who are temporarily out of the country, may make application for an absentee ballot not less than 10 days prior to the election. Such request shall entitle the applicant to an absentee ballot for every election in one calendar year in which federal offices are filled. Contact your election authority EARLY for specific details if you plan to be out of the country. Absent members of the armed forces while on active duty may apply for an absentee ballot by fax machine.

NOTE: For hospitalized voters voting absentee, refer to "Health Care Facility Voting" brochure.

STEP 1

Obtain the proper application for absentee ballot, either by mail or in person, from your election authority (county clerk or board of election commissioners).

STEP 2

Upon receipt, complete the application. Make certain to include your name, home address, address where you want the ballot to be mailed, and be sure to sign the application. In primary elections you must state your party affiliation.

STEP 3

After completing the application, either mail it or deliver it yourself to your election authority. If you return the application in person or complete the application in the election authority's office, you may immediately vote your absentee ballot in the election authority's office. If you mail the application and it is properly completed, the election authority will mail your absentee ballot to you.

STEP 4

After receiving your ballot, **VOTE THE BALLOT IN SECRET**. Insert the ballot into the envelope provided, seal it, complete and sign the certification on the back and **PERSONALLY return it or mail it**. (The absentee voter may authorize, in writing, a spouse, parent, child, brother, sister, or licensed motor carrier, to deliver to the election authority the completed absentee ballot in sufficient time to be delivered to the polling place on Election Day.)
